

**Time for shivers, scares, and thrills,
for pumpkin grins in windowsills,
for black cats in the full moon's glow,
and a happy Halloween HELLO!**

Although I'm not at all a fan of celebrations that don't belong to our culture and prefer to live them in the country of it's origin, there seem to be things in our lives these days we can hardly avoid. My children love Halloween and I had to give in the costumes and the evening of "süßes sonst gibts saures". And it became fun really.

On 26 and 27.10 the Halloween will take over Raumerstraße 7!

Get ready for some serious cutting, sawing and hollowing!!

Children can make as many pumpkins as time allows.

They will be on offer in all the sizes.

I am very excited about the cutting tools and books on pumpkin cutting I got today in the mail. Children will have a lot of fun!

At the Arnuts Studio, Raumerstrasse 7, Helmholtzplatz

on

Saturday 26.10 at 15.00 and

Sunday 27.10 at 10.00 and 15.00
